

CORRIGENDA

Critical revision of Utrish herbarium preserved in MWG was conducted by Alexey P. Seregin & Mikhail N. Kozhin in October–November, 2010. The following species were reported by Alexey P. Seregin & Elena G. Suslova in the *Checklist of the vascular plant flora of the Utrish area (Russian Black Sea Coast)* erroneously:

- Aegilops neglecta* Req. ex Bertol. (this is *A. biuncialis* Vis.)
- Alyssum desertorum* Stapf (this is *A. calycinum* L.)
- Alyssum tortuosum* Waldst. et Kit. ex Willd. (this is *A. obtusifolium* Steven ex DC.)
- Astrodaucus littoralis* (M. Bieb.) Drude (this is *A. orientalis* (L.) Drude)
- Bassia hirsuta* (L.) Asch. (this is *B. sedoides* (Pall.) Asch.)
- Berula erecta* (Huds.) Coville (this is *Sium sisaroides* DC.)
- Camelina microcarpa* Andrz. (this is *C. rumelica* Velen.)
- Carduus acanthoides* L. (this is *C. hamulosus* Ehrh.)
- Carex depressa* subsp. *transsilvanica* (Schur) K. Richt. (this is *C. halleriana* Asso)
- Corydalis caucasica* DC. (this is *C. paczoskii* N. Busch)
- Crepis setosa* Hall. f. (this is *C. rhoeadifolia* M. Bieb.)
- Geranium pusillum* L. (this is *G. molle* L.)
- Glyceria arundinacea* Kunth (this is *Puccinellia distans* (Jacq.) Parl.)
- Iberis simplex* DC. (this is *Alyssum umbellatum* Desv.)
- Linum squamulosum* Rudolphi ex Willd. (this is *L. nervosum* Waldst. et Kit.)
- Lolium rigidum* Gaudin (this is *L. loliaceum* (Bory et Chaub.) Hand.-Mazz.)
- Orchis purpurea* Huds. (this is *O. simia* Lam.)
- Ornithogalum arcuatum* Steven (this is *O. ponticum* Zahar.)
- Rosa villosa* L. (this is *R. canina* L.)
- Rubus anatolicus* (Focke) Focke ex Hausskn. (this is *R. ibericus* Juz.)
- Rumex confertus* Willd. (this is *Rumex patientia* L.)
- Rumex sanguineus* L. (this is *R. conglomeratus* Murr.)
- Scandix macrorhyncha* C. A. Mey. (this is *S. grandiflora* L.)
- Scorzonera turkeviczii* Krasch. et Lipsch. (this is *Tragopogon dasyrhynchus* Artemcz.)
- Stipa pennata* L. (this is *S. pontica* P. A. Smirn.)
- Syrenia montana* (Pall.) Klok. (this is *Erysimum cuspidatum* (M. Bieb.) DC.)
- Taeniatherum asperum* (Simonk.) Nevski (this is *Taeniatherum crinitum* (Schreb.) Nevski)
- Tragopogon pusillus* M. Bieb. (dubious specimen of *Tragopogon* sp.)
- Typha angustifolia* L. (this is ?*T. elatior* Boenn.)
- Verbascum thapsus* L. (this is *V. gnaphalodes* M. Bieb.)
- Veronica verna* L. (this is *V. arvensis* L.)
